*For Us, Caring is what
Matters The Most*

www.weldoninstruments.com

WELDON INSTRUMENTS was established in 1961 by **Mr. S. M. Amin** (late) who is among the founders of SIMAP (The Surgical Instruments Manufacturers Association of Pakistan). Over the years Weldon Instruments has earned a firm reputation in the manufacturing of high quality products through continuous improvement and modernization, and is regarded as one of the best companies in the business.

In our quest for perfection, we are always ready to meet the highest manufacturing standards. Our high standards have attracted global critique and certifications practically from all those who matter. Achievement of **CE Marking, cGMP certification**, implementation of **ISO 9002 and ISO 13485** quality management systems are just a few milestones in the process of international standardization of the company. Weldon Instruments has also achieved the certification of **EN46000** and registered its items in Device Listing with the **FDA** of **USA**.

CARING **MATTERS THE MOST**

WSR-001-LYA
Leyla Brain Retractor, Self Retaining,
Flexible, For Flat Spatulas, With 2 Flexible Arms

Luer Lock

OUR WARRANTY AND REPAIR POLICY:

Weldon Instruments warrants all Weldon products purchased directly from Weldon or an Authorized Dealer in accordance with the following terms and conditions:

All Weldon instruments and products are guaranteed to be free from defects in material and workmanship when used for their intended surgical or dental purpose. Any Weldon product that proves defective in workmanship or material will either be repaired or replaced, at Weldon's discretion, without charge.

Products not purchased from an authorized source may not be authentic or meet Weldon's quality standards and may have been tampered with.

WARRANTY EXCEPTIONS:

This warranty is void for Weldon Instruments and products serviced by any person or facility other than the Weldon Instruments Repair Services. Any custom made, custom etched or neutralized products are not returnable. Warranties are not valid for Weldon instruments and products that prove defective as a result of improper care and cleaning or misuse. Instruments or products that are damaged in fire, flood or other acts or disasters are also excluded from warranty.

Except as set forth in these Terms and Conditions, Weldon makes no other representations and warranties regarding its instruments or products, either expressed or implied. In addition, in no event will Weldon be liable for any incidental, special or exemplary damages or loss of profits in connection with the use of Weldon instruments and products.

Weldon operates its own in-house Service and Repair department. A Return Material Authorization (RMA) number is required before instruments are returned for Repair. Contact our Repair Department at weldon@weldoninstruments.com. Weldon cannot accept instruments for repair at conventions or trade shows. Weldon Instruments representatives cannot accept instruments for repair.

Be prepared to provide the following information when you contact:

Customer Account Number
Customer Purchase Order Number
Reason for Repair

Once you've received your RMA number, repairs may be sent to:

Weldon Instruments
66-C, Ghalib Road, Industrial Estate,
Sialkot - Pakistan

OUR INSTRUMENT RETURN POLICY:

We offer a full credit for all unused merchandise, in its original packaging, and returned within 60 days from date of invoice. Merchandise returned after 60 days, but before 120 days from date of invoice, will be charged a 15% restocking charge. Merchandise must be unused and in its original packaging.

No returns will be accepted after 120 days from date of invoice. Custom made, custom etched, or neutralized products are not returnable. Returns will not be accepted on scissors that have been custom serrated.

Sterile products, which have been opened, returned out of the original package or returned after the sterile expiration date, are not returnable. Discontinued products, medicament products, private labeled, custom made, custom etched or neutralized products are not returnable.

Broken instruments noted as 'Sharps' have special handling and return requirements.

A Returned Goods Authorization number (RGA) must be obtained prior to returning product to Weldon Instruments. Product returned without an RGA number will be returned directly to the distributor, with a letter of explanation. Returns can only be granted and authorized by obtaining an RGA number from Weldon Instruments. by contacting at weldon@weldoninstruments.com.

Issue of an RGA number should not be interpreted as a final credit to your customer account. Weldon reserves the right to evaluate incoming returns prior to issuing any customer credit. All returns in compliance with our return policy above can be returned to:
